

CIVIL ENGINEER

SMH Consultants, P.A.

Posted: February 2024

Open until filled

SMH Consultants, P.A. (SMH) is a growing 35-year-old civil engineering and land surveying company with primary areas of expertise in land development and surveying. Company-wide, SMH has 35 full-time employees throughout its headquarters office in Manhattan, KS, and additional offices in Dodge City, KS; Kansas City; and Colorado Springs, CO. SMH is a solid company built on experience and long-lasting relationships with clients. The dedication and commitment to this approach is what sets SMH apart from other competitors. We accomplish this by hiring great employees and providing them a work environment that is professional, relaxed, and fun.

Our company is seeking a permanent, entry-level **Civil Engineer** to work in the Manhattan SMH office. In this position, you will work with the team to create designs related to land development, transportation, water and sanitary sewer infrastructure, hydrology, and storm sewers. Qualifications and responsibilities include:

Qualifications:

- Educational and/or practical experience with engineering designs.
- Must be able to obtain Intern Engineer status by passing the Intern Engineer practical test within 6-months of employment
- Internship experience
- Computer aided drafting (CAD) and engineering design experience (educational or professional) in AutoCAD Civil 3D
- Utilizing software packages such as Autodesk products

Responsibilities:

- Working with managers to assemble engineering designs related to streets, drainage, sanitary sewer, and water infrastructure
- Interpreting topographic surveys from information collected in the field
- Coordinating data collection with field surveyors

Compensation will range from \$65,000-\$75,000 annually based on qualifications and experience. Benefits include a 401K retirement plan, paid full time off, health care plan, and professional development opportunities. We encourage you to apply if you meet our criteria and possess strong organizational and collaborative skills. Learn more about the company at www.smhconsultants.com.

SMH Consultants, P.A. is an equal opportunity employer. All employees are hired at-will and subject to a 90-day primary evaluation period.
